

An additional copy of each card's recipe is included in all packages, both singles & sets. The note card user gets a recipe copy to keep. All of the cards in this series are shown below. All cards and sets come with cream envelopes, and are packaged in clear, resealable bags.

IMPORTANT NOTE Cranberries, Swiss chard, both squashes, snow peas and tomatoes all have either poultry, lean pork or fish recipes. There are vegetarian recipes for these varieties, and **all-vegetarian sets**. Both kinds of sets contain salad recipes. Please specify with a circled "V" in the "Quantity" space.

GARDEN QUOTES

Zoom in on the cards to see the interplay of type styles and simple leaf silhouettes.

The large type treatment has a hand-brushed appearance to the edges, with the smaller type traditionally crisp, for an interesting contrast.

Off-white paper liners (same as envelope color) can be added to cards for \$0.25 each.
